

## God of Peace

God of Peace

(Chant)

We love you Lord

We thank you Lord - 2x

(Sing)

Father I just want to thank you for all that you have done for me

Father I just want to thank you for setting all your children free

Father I just want to thank you for giving me the victory

Father I just want to thank you for what you did at Calvary

God of Peace

We worship the God of Peace – 4x

When life is a riot

And my minds not quiet

I mediate on a state

Of a God whose Great

Who died to conquer death

And then lived again

Who loved me while I was deep in sin

Let me say that again

He loved me while I was deep in sin

Deep in sin? (female voice)

Yes my friend

Manchild was wild and undisciplined

Emotionally you may rise and fall

But baby through Christ

There is hope for all

The love inside of you does not have to stall

He'll be there to pick you up baby

When you fall

Just call

His name

Don't be ashamed

It's for you He came

And He'll come again

And He'll come again? (Female voice)

Yes my friend

He is with you

You are not alone

He is with you  
You are not alone  
Every promise in the book is stone  
Every promise in the book is stone (echo)

We worship the God of peace 4x

Freedom – 2x
