

It's Like

It's like
It's freedom on the surface
You tryin' to find your purpose
You searching high and low
But where you go
It's getting hopeless
Most days are out of focus
Cause you can't focus
Going through the motions
Keep your head above
Just feeling worthless
Is this reality
This view in front of me
This real ain't real
But still it seems to be killing me
I can't describe it B
More than hostility
There's something going on way deep down inside of me
I can't trust what I see
Can't trust my feelings G
Or this world in front of me speaking lots of fallacies

It's like
The walls are crumbling down
It's like
Truths gonna underground
It's like
There's no such thing as free
It's like
Invented reality

Some say society
Some say psychology
I say it's deviltry
Most ain't on the level B
Can't find the down beat
Definition abstract
When I need it concrete
Truth is in the trash heap
Redesign reality
This ain't in the contract

Minus it
Subtract
I just want my mind back
Homeless 'til I find God
Reality is too odd
Mindscape so scarred
I just cry out oh God

It's like
The walls are crumbling down
It's like
Truths gonna underground – 2x

You got-ta get your God back
You got-ta get your Mind back
You got-ta get your love back
You got-ta get your power back

God
Mind
Love
Power – 2x

It's death
Though you have breath
Following those bereft
Who have nothing left
Except
The many fears they kept
They're dry wells
Hearts are like hell
Their smiles are false tales
Inside of them
Shining out of them
Is the darkness depriving them
Driving them into schisms with more angle than prisms
Imprisoned
Smoke and mirrors
These visions ain't living
The meaning is hidden
The truth is forbidden
The poison is bitten
The people are smitten
Prophecy as it was written

It's like
The walls are crumbling down
It's like
Truths gonna underground – 2x

You got-ta get your God back
You got-ta get your Mind back
You got-ta get your love back
You got-ta get your power back 2x

God
Mind
Love
Power

Yahweh is the way
He's the truth, the life
Don't you know His love will find a way

Yahweh is the light
He can fix your life
Don't you know His love will find a way

Put on flesh and died
He was crucified
Don't you know His love will find a way

Conquered death for you * upfront vocals/lyrics start
Reconnected to you
Don't you know His love will find a way

Intercedes for you
He Believes in you
Don't you know His love will find a way

He empowers you
To speak the true
Don't you know His love will find a way

All the things He do
Yes it's all for you
